Activity Descriptions:

Animal Feeding Time

Watch the nature center animals being fed. Bring some bugs, insects or worms if you can as animal feed if you can.

Bee Happy
Canoe Hike
Frog and Toad

Buzz on into the nature center for a short presentation on bees and our observation hive. Enjoy a 2-hour paddle with the naturalist as we explore the lakes and channels of the park. Fact or Fantasy, not the story. Learn the truth about frogs and toads, watch them eat, and handle them if you would like.

INShape IN Hike
Leaf Crafts

A fast paced hike, 2.6 miles, as part of the INShape program. Practice the arts of leaf printing, painting and preserving. Take home some wearable art if you bring a solid colored T-shirt or bandana.

Night Hike

Leave your flashlights behind and come see the park from an owl’s point of view! Lots of activities to experience on this hike. Meet at the camp store.

Park Geology
Sand Lake Stroll
Snake Whisperer
Sunset Canoe Hike
This Old House
Trail Blazer
Turtle Time
Whoooo's There
Wildflower Wander

Learn what made Chain O'Lakes as we show you examples of the various geological features. A stroll along trail 5 to watch for fall wildflowers. SssSSstop by the nature center to disssscover fassscinating factsss about sssnakes. We'll leave shortly before sunset and canoe out to where we can build a floating campfire on the lake. Learn the history of our schoolhouse naute center and one of it's famous former students. Join the naturalist in this off trail adventure to explore the wilds of the park. Learn all about turtles in this live presentation. Learn the many adaptations of owls and discover the common ones found in the park with a short slide show. Join the naturalist on this morning hike to look for late summer/ early fall wildflowers.
